

Updated as of 1 January 2020

Please read carefully the following terms of use which apply to all visitors of the website <https://gaming.next.axa/> (the "Website").

ACCEPTANCE OF THE TERMS OF USE

When accessing to and using the Website, you accept in full these terms of use, including the attached [Privacy Policy](#).

AXA Next reserves the right to add to, modify or remove and more generally update at any time, all or part of these terms of use. AXA Next will make available on the Website the updated version of the terms of use.

If a visitor of the Website (a "User") does not respect these terms of use, AXA Next will be entitled to take all appropriate actions, including suspending the User's right to access to the Website. If AXA Next does not immediately react, this does not mean that AXA Next waives its rights to act subsequently.

ACCESS TO THE WEBSITE

The Website aims at presenting AXA Next's Open Innovation Program dedicated to Game Studios and Game Publishers.

The information contained on the Website is given strictly for informative purposes and does not entail any legal commitment or implicit or explicit contractual agreement on the part of AXA Next, which also reserves the right to modify its characteristics at any time.

AXA Next is not a registered investment adviser and does not provide investment advice or recommendations. The information contained on the Website is not, and should not be read as, an offer or recommendation to buy or sell or a solicitation of an offer or recommendation to buy or sell any securities. The information contained on the Website is not, and should not be seen as, a recommendation to use any particular investment strategy.

Access to the Website is free of charge. However, the costs of access and use of the telecommunications network shall be borne by the User, according to the terms stipulated by his/her Internet access provider and his/her telecom operator.

PRIVACY POLICY

For any further information concerning the processing of Personal Data realised by the Website, please refer to the [Privacy Policy](#).

HYPertext LINKS

The creation of hypertext links to the Website is subject to the explicit prior approval of AXA Next.

The Website can contain hypertext links to other sites. The existence of hypertext links between the Website and third-party sites means in no way that AXA Next approves the content of that site or the use which may be made, and may not, under any circumstances, incur AXA Next's responsibility. The User visits the other sites at his/her own risks and under his/her responsibility.

AXA does not accept any responsibility for any third-party website linked to or from this website.

It is to be recalled that delays, omissions or inaccuracies are liable to occur because of the electronic transmission system.

COPYRIGHT LAW

All the elements of the Website, individually and as a whole, are governed by applicable legislation on intellectual property, including but not limited to copyright law and trademark law. The same applies to the form of the Website (tree view, layout, design, conviviality...), as well as to its content (logos, texts, images, illustrations, music, sounds...). The elements of the Website are the exclusive property of the AXA Group (meaning any entity directly or indirectly held by AXA SA) or are licensed to the AXA Group, and the AXA Group is the sole authorized user of such elements.

Any other complete or partial reproduction, representation or communication of the pages, the data and any other element constituting the Website by a User, by any process and on any support, as well as their modification, is prohibited, with the exception of prior and written authorization of AXA Next. "AXA" is a registered trademark. The trademarks, service marks and logos appearing on the Website are the property of the AXA Group. It is strictly forbidden to use or reproduce the name "AXA" and/or its logos, used alone or combined, in any capacity whatsoever, without AXA Next's prior written agreement.

The non-compliance with such prohibition constitutes an infringement which can result in civil and criminal liability.

USE OF THE WEBSITE

The User may use the Website to view all information made available on the Website and participate in AXA Next's Open Innovation Program dedicated to Game Studios and Game Publishers, governed by the [Rules](#) applicable to such program. Any other use of the Website is strictly forbidden, including but not limited to the restrictions described below.

The User may not use the Website or its content for an improper purpose or a purpose forbidden by

these terms of use, nor encourage any illegal activity, or other activity violating AXA Next's rights or third parties' rights. Without limiting the generality of the foregoing, the User may not use the Website or its content in violation of AXA Next's, AXA Group's or third parties' intellectual property rights.

The User is not allowed to use mechanisms, programs, algorithms or other automatic methods to access, obtain, copy or supervise any part of the Website, nor reproduce or bypass the navigation structure or the presentation of the Website in order to obtain data, documents or information. The User can only extract and/or re-use data, documents or information from the Website when this has been expressly authorized.

The User must not attempt to access unlawfully to any section or functionality of the Website, nor to any other system or connected network to the Website, nor to the services proposed on the Website, by hacking or using any other illegitimate means.

The User must not try to analyse or test the vulnerability of the Website or any connected network to the Website, nor violate the security and authentication measures put in place by the Website or the networks connected to the Website. The User is not authorized to question or trace information about other Users, nor to exploit the Website or the services or the information made available on the Website, in any manner, for the purpose of revealing such information, especially personal identification information or the information other than his/her own information, as they appear on the Website.

The User agrees to take no action imposing an undue or unreasonable burden on the Website's infrastructure, or systems or AXA Next's networks, or any network connected to the Website or to AXA Next.

The User agrees not to use any mechanism or software to interfere or try to interfere with the proper function of the Website or with any transaction conducted on the Website or with any use of the Website by any other person.

The User must not try to infringe the headers or manipulate the identifying information in any manner, to mask the origin of the message or of an information sent to AXA Next using the Website, or a service offered by the Website. The User must not claim to be or represent someone else, nor pretend to be another natural or legal person.

AXA Next reserves the right at any time to modify or suspend temporarily or permanently the use of this Website and may not be held responsible for these changes, suspension or interruptions. Also, AXA Next declines all responsibility for the dysfunctions or interruptions during the use of the Website due to power failure, defection on telephone lines and/or internet or any other damaging event out of its control.

TECHNICAL INFORMATION

AXA Next may not be held responsible for events out of its control and the potential damages suffered by the technical environment of the User and notably his/her computers, software, network equipment or any other material to use the Website and/or information contained in it.

The confidentiality of correspondence is not guaranteed on the network and it is up to each User in particular to take all appropriate steps to protect his/her own data and/or software against contamination by any viruses circulating on the Internet.

The User agrees to compensate and release AXA Next from all responsibility regarding losses or complaints from third parties due to or in relation to the use made by such User of the Website.

ABSENCE OF GUARANTEE

AXA Next endeavours to keep this Website up to date. However, AXA Next guarantees neither the accuracy nor the completeness of any information presented.

Besides, to the extent permitted by applicable law, AXA Next may in no case be held responsible for any indirect or consequential damages, for whatever cause, origins, natures or consequences, resulting from a visit to the Website or associated with such a visit, particularly, and without limitation, for any loss of profits, interruption of activities or loss of software or data.

JURISDICTION AND APPLICABLE LAW

The Website and its content are governed by French law subject to provisions that cannot be derogated from by agreement by virtue of the law applicable to the User. All disputes in relation to the Website shall be subject to French courts.
